## Merry Christmas

### WHAT A GREAT YEAR!

Yes, partnering with Scholastic Motivation Ministries and Hazelwood East Middle School turned out to be a great success!

We are excited over the progress we made with the Robotics Class from Hazelwood East Middle School and the EMWI COGIC SMM Robotics Class. We came home from the National AIM Convention in Cincinnati, Ohio with a trophy and the Robotic Team won trophies in the local AIM Convention.

Thanks to Angel Barnes who represented the team through virtual visual conference communication at the St. Charles Kathryn Linnemann Branch Library. The trophy was won for Innovative Strategy!

The Robotic Team meet every third Saturday at New Life Community Church 2:00-4:00 pm and every Thursday at the Hazelwood East Middle School after school program 3:30-4:40 pm and various locations at the public libraries.

SOS was able to provide trophies for the SMM local AIM Competition and one large trophy for the National AIM Competition especially made for Angel Barnes for representing her team. Trophies were awarded 1st, 2nd, and 3rd Place in Math, Spelling Bee and Bible Bowl.

### SAVE OUR SEED SCHOLARSHIP AWARD

Three applicants applied for the SOS \$1000 Scholarship Award. We were anxious to award the winner with this award however none of the applicants followed and/or complied with the SOS Official Scholarship Rules. The judges unanimously agreed that all guidelines must be followed. However, two of the applicants qualified to receive the EMWI Book Scholarship Award. Each received a \$100 check. Thanks to the Women Dept. Supervisor Mother Rosetta Watts.

We encourage each applicant that apply for the \$1000 SOS Scholarship Award to comply with the SOS Official Scholarship Rules.

### SOS PARTNERING WITH COGIC URBAN INITIATIVE "WEAR A SCRUB"

We are looking forward to partner with Urban Initiative in launching a new program Wear A Scrub! The program is design to educate and encourage our youth in the Medical Field.

### SPECIAL POINTS OF INTEREST

## THANK YOU, THANK YOU, THANK YOU!

### SOS CONTRIBUTING DONORS

Thank you for your donations to SOS Outreach Ministries! It is you that help make it possible to inspire our youth to further their education! We know the importance of education and there are so many of our youth that will aspire in occupations we never dreamed of. It is our desire to encourage our applicants by having them write essays on real people that we may or may not have heard of.

Against all odds we as a people have aspired to contribute great inventions, conquered and excelled in occupations such as Ben Carson, neurosurgeon; Berry Black, US Chaplain for the US Senate; Kathrine Johnson, NASA Mathematician, and let's not forget Barack Obama PLUS SO MANY MORE!

Your contributions for Scholarships are restricted strictly for that purpose. You can take pride in contributing to a college graduate—a very worth while cause.
