Scholarship for EMWI
Women's Convention

Health Occupation Career Sessions

Each student received a
stethoscope, scrub and cinch
bag. Doctor James gave a
very detail, educational
session on using the
stethoscope. Each student
practice on their partner.
See website for more details!

ROBOTICS – FIRST Lego League – Ranken Tech

Save Our Seed Outreach Ministries is yet ministering to youth with several STEM base programs! Each Thursday and every third Saturday students meet and learn to serve in the capacity of Program Specialist, Engineer, Information Specialist and Project Manager. Once again our team Galaxy NOVA Rockets signed-up for FIRST Lego League Competition. Ten Students from Hazelwood North Middle School participated. Our next competition will again be hosted at Ranken Tech with Zak Engineers as Judges. We are godly proud of these young people.

We are grateful for the progress we have made in 2019! Looking forward to 2020 to serve our youth in our community! May God Bless each of you! Thank you for helping us make a difference!
