SOS Sponsorship Program

As most of you know one of SOS goals is to help high school seniors to move on to post secondary education. The vision for fifty people to donate twenty dollars will easily provide a \$1000 Scholarship Award. Thank you so much for your response!

SOS Scholarship Award

We are anxious to grant a \$500 SOS Scholarship Award this year! We really want to match this by May 2015 with \$500 so we can honor a \$1000 Scholarship Award. Our dead line for the SOS Scholarship Award is rapidly approaching, March 15, 2015! High School Seniors may apply now! Get your application on-line at <http://sos-outreachministries.org/ss.htm>.

SOS has blessed youth from the EMWI Jurisdiction this 2014-2015 calendar year! SOS Zeecraft Challenger II is used for Bible Bowl and The Green City Challenge Lego Education Set with the NXT and EV3 is used for the Robotics Class.

Parents please take advantage of the Partnership we have with EMWI Urban Initiative and Scholastic Motivation Ministries. This is an opportunity for your child to advance in Math, Spelling Bee and Financial Literacy. The Lego Education set provides skills for your child in science, technology, engineering and math! We have laptops and the Lego software for your child to actually learn programming.

SOS thank God for professional staff to serve our youth! SMM Robotics Class - Instructor LeRon Atkins, ITT Valedictorian, Computer & Electronics Engineering Technology ~ The Green City Challenge is a program that will cover key areas in (STEM) SCIENCE, TECHNOLOGY, ENGINEERING MATHEMATICS AND LITERACY.

SMM Math Olympiad - SMM Village Math Olympiad Instructor Rosie Williams, Adjunct Professor, St. Louis Community College, BS in Math and taught High School Math for 36 years. She has taught St. Louis College of Pharmacy Trig and College Algebra.

Each of you has played a major role in keeping us encouraged with our eyes on Jesus. SOS will continue to ministry to the total man focusing on both spiritual and educational needs! Let's make 2015 the best year yet!
